Generations Community Name: Employee Resident

About Us

Our Purpose: The Generations Family Foundation (GFF) is dedicated to providing short-term, immediate relief to employees and residents of the Generations family of companies and communities who have suffered hardship as a result of natural disaster, family death, medical emergency, or other unexpected crisis or distress that has created a financial need.

Our Limitations: According to our process, charity law, and to be careful stewards of donated funds, we are unable to assist people who are unfortunate victims of a hardship or emergency, if they are not also determined to be in objective need or distress as a result.

Application Handling and Assistance

Confidentiality: The GFF takes all care to protect privacy and this application will be treated in a confidential manner.

Primary Assistance Method: Form of assistance will vary according to circumstances. If applicable to the situation, the GFF will make every effort to make payment directly to the outside vendor or service provider on behalf of the applicant.

Tax Exempt: GFF payments or assistance is for charitable purposes and will not result in taxable compensation.

Applicant's Agreement

Correct and Full Information: You agree that the information provided is true and complete. (False and/or misleading information will result in a denied application now and in future.)

Authorization: You authorize GFF to obtain/verify information necessary to process this application. In addition, you agree to provide supporting documentation/information if requested.

Use of Funds: You agree that any amount granted by the GFF will be used for purposes requested or indicated. To protect our status as a public charity, you understand that any amounts subsequently reimbursed by insurance or other sources will be returned to the GFF.
